

# Black Sabbath, TV Crimes

One day in the life of the lonely  
Another day on the round about  
What do they need  
Somebody to love

One night in the life of the lonely  
There's a miracle on the screen  
What did they see  
Somebody to love

He guarantees you instant glory  
Get your money on the line

Gotta send me a plastic Jesus  
There's a check in the mail today  
That's what I need  
Somebody to love

We just won't eat on Sunday  
Gotta buy him a limousine  
Somewhere to live  
Somewhere to pray

Every penny from the people  
Keeps the wolf outside the door  
Shop around and find forgiveness for yourself  
But he'll give you more, yeah

Holy father, holy ghost  
Who's the one who pays the most  
Rock the cradle don't you cry  
Buy another lullaby

Jack is nimble, Jack is quick  
Pick your pocket, turn a trick  
Slow and steady, he's got time  
To commit another TV crime

One day in the life of the lonely  
Back again on the round about  
What do they need  
Somebody to love

Yeah

One night in the life of the lonely  
Another miracle on the screen  
What did they see  
Somebody to love again

A supermarket of salvation  
Take a look inside the store  
Shop around and find forgiveness for yourself  
But he gives more

Holy father, holy ghost  
Who's the one who hurts you most  
Rock the cradle when you cry  
Scream another lullaby

Jack be nimble, Jack be slick  
Take the money, get out quick  
Slow and steady, so much time

To commit another
