

Black Stone Cherry, Devil's Queen

Down on the muddy
Banks of the bayou
At Magdalen's moonlit cabaret
Captain Creole's in all his glory
Sipping whiskey and telling stories

Let's hear the one about
The Devil's Queen

Welcome aboard
The Devil's Queen
Rolling on the river
All the way to New Orleans
Mr. Johnson and Sonny Boy
Are playing on and on and on
Beelzebub is dealing
Your cards tonight
On the Devil's Queen

The midnight crow calls
Us up from the ground
The waters churn
And the engines howls

All aboard that's going aboard

Welcome aboard
The Devil's Queen
Rolling on the river
All the way to New Orleans
Mr. Johnson and Sonny Boy
Are playing on and on and on
Beelzebub is dealing
Your cards tonight
On the Devil's Queen
