

Black Stone Cherry, Soulcreek

Down by the river
Where the lights hung from the trees
Midnight swallows sunlight
Muddy water runs between your knees
Everybody wants to be down at soulcreek

Yeah, yeah
Baby won't you come with me
Yeah, yeah
Babe I wanna come with you

Such a sweaty situation
Why don't you talk a walk with me
Too hot
Need some coolin'
You know still water sure runs deep
Everybody wants to be down at soulcreek

Yeah, yeah
Baby won't you come with me
Yeah, yeah
Babe I wanna come with you
