

# Black Stone Cherry, You

What do I have to do?  
I've been down and out  
Doing without  
The love that got me through  
And what I have to say?  
I just want you to know  
That I know

It takes a village  
To raise a child  
It takes an army  
To march a mile  
Yeah, yeah  
And it takes true love  
To stand the test of time  
And it takes you, babe  
To make me smile

What do I have to do?  
I've been thinking about  
Dreaming about  
The things we used to do  
And what do I have to say?  
I just wanted to know  
That you know, yeah

It takes a village  
To raise a child  
It takes an army  
To march a mile  
Yeah, yeah  
And it takes true love  
To stand the test of time  
And it takes you, babe  
To make me smile

And I know I would  
Cross the ocean if I could  
If it would bring  
You back to me, yeah  
And I would steal a  
Feather from an angels wing  
Don't you know it's true  
That I do it all to prove  
My love for you

-Solo-

It takes a village  
To raise a child  
It takes an army  
To march a mile  
Yeah, yeah  
And it takes true love  
To stand the test of time  
And it takes you, babe  
To make me

It takes a village  
To raise a child  
It takes an army  
To march them out  
And it takes true love  
To stand the test of time

And it takes you, babe  
To make me smile  
It takes you  
To make me smile
