

Black Stool, Babies Screaming, Dying, Crying

Park bench
Green hurts
I sit covered from the bright sun
I see your baby in the carriage
Bald head
Ain't got no hair yet
Now I see red
Burn of sun
Makes me want to cut off his feet
Cut off his cock
Babies

Outside day care
You're at work
I give childcare
On my fork!
I see your baby in the carriage
Bald head
Ain't got no hair yet
I grab the fence
Cold steel
Makes me want to cut off his feet
Cut off his cock

Babies:
Screaming, dying, crying!
