

Black Strobe, I'm a Man

Now, when I was a little boy
At the age of five
I had somethin' in my pocket
Keeps a lot of folks alive
Now I'm a man
Turnin' twenty one
You know, baby
We can have a lot of fun
I'm a man
I spell M-A-N
Woah, I'm a man
All you pretty women
Standin' in line
I can make a love to you, baby
In an hours time
I'm a man
I spell M-A-N
Woah, I'm a man
Goin' back down
To Kansas town
To bring back the second cousin
Little Johnny the Conqueroo
I'm a man
I spell M-A-N
Woah, I'm a man
The line I shoot
Will never miss
The way I make love to 'em
They can't resist
I'm a man
I spell M-A-N
Woah, I'm a man
