

# Black Tape For A Blue Girl, The Rope

i see my answer on the end of a rope, the room too cold for me. cut out my eyes they forgot how to  
pain too strong to see. we were so close but things slipped away. the crush came over me. these feelings  
always remain. i smile. this will be the end. inside i'm lonely, the rope it holds me. and when i'm gone  
cry and understand. i see you're my friend, it took so long for me to see. i cared for you more than you  
you know. i see my answer on the end of a rope, the world turned cold on me.
