

Blackfoot, I Got A Line On You

Yeah.
Oh yeah, come on.

Now, let me take you babe, down to the river bed
Well, I got to tell you something
That'll go right through your head

I got a line on you babe
[I got a line on you babe]
Yeah, I got a line on you
[I got a line on you babe]
Come on.

Now, put your arms around me, every little bit of your love
Oh, you know what to do, I'll make love to you
You got the right stuff, and I do too

I got a line on you babe
[I got a line on you babe]
Yeah, I got a line on you
[I got a line on you babe]
Yeah!

Got my eye on you babe, on your velvet skin
I wanna put my hands where they've never been
Get real hot in the midnight steam
Soaking in the rain of my favorite dream
Your lips are red, the moon is blue
I only ask you once what you want to do
Gonna touch you babe 'til the night is through
Look out honey, got a line on you

Oh yeah.

Oh, now the winter's almost over,
The summer she's coming on strong.
Oh I could love you, love you, love you, love you all year long

I got a line on you babe
[I got a line on you babe]
Yeah, I got a line on you
[I got a line on you babe]

Ah yeah!
I got a line on you babe
[I got a line on you babe]
Yeah, I got a line on you

Yeah, yeah, yeah!
I got a line on you babe
[I got a line on you babe]
I got a line on you
I got a line on you babe.
