

# Blackfoot, Pay My Dues

Well I pay my dues by singin' the blues  
Someday it's gonna end  
Well the light that shines  
In the sky up above  
It's just around the bend

Livin' a life, it ain't easy  
Yes, you got to pay  
Livin' a life, it ain't easy  
Lord, you got to pay your dues  
Livin' a life, it ain't easy  
Pay your dues  
Livin' a life, it ain't easy  
Well the light that shines  
In the sky up above  
It's just, just, just around the bend

I said the choice is yours how you wanna pay  
There's no denyin' you owe  
'Cause just as sure as we all came  
Baby, we got to go

Livin' a life, it ain't easy  
Yes, you got to pay  
Livin' a life, it ain't easy  
Lord, you got you got to pay your dues  
Livin' a life, it ain't easy  
Ohh pay your dues  
Livin' a life, it ain't easy  
I said I'm just as sure  
Just as sure, just as sure, oooh

Livin' a life, it ain't easy  
Livin' a life, it ain't easy

(Solo)

Well just as sure,  
Baby Just as sure,  
Just as sure, oooh yes yes  
Livin' a life, it ain't easy  
Livin' a life, it ain't easy
