

# Blackfoot, Run For Cover

Winter wind is blowin' in  
Makin' me feel low, so low  
Even though the fire's in my heart  
It doesn't warm the soul  
We had it all but it wasn't enough  
You played a dangerous game  
You made your move  
Now you got to choose  
Between me and the pain  
You run for cover, you run with another  
Run for cover, from me, yes you do  
Can't believe you got a heart of stone  
It's such a cold surprise  
Don't try and hide behind those empty words  
It's right there in your eyes  
Said you wanted to name the dance  
To face the world on your own  
I ain't givin' you a second chance  
You gotta dance alone  
You run for cover, you run with another  
Run for cover, from me  
You run for cover, you're runnin' with another  
Run for cover, from me, yes you do  
Now you've had your final dance  
Go face the world on your own  
I ain't givin' you a second chance  
Now you're all alone  
You run for cover, you're runnin' with another  
You run for cover, from me, yes you do  
Run for cover, run with another  
Run for cover, from me, yes you do  
Run for cover, run with another  
Run for cover, from me, yes you do  
Run for cover, run with another  
Run for cover, from me, yeah
