

# Blackhaze, Do You Wanna Ride

You know what i'm sayin baby, you know what i'm sayin  
Black Haze representin, you know what i'm sayin  
you wanna ride, we can ride cuz i'm the realest  
i'm the realest baby  
u wanna ride, check me out

Aint to many mother fuckas bad as us  
you mad at us u wonder why we had to bust  
you got love for my shit thats fabulous  
all these hoes be grabbin us  
what's your name? where you from?  
Do u plan on givin me some?  
If you wont I wont fight  
you never know maybe your girlfriend might  
freak me down before I leave  
pass the blunt, hit the weed  
you can bounce if you too fly  
gotta watch out cant get to high  
fuck these hoes, gotta get G's  
Benjamins, gotta get keys  
sexually, gotta get pleased  
sex aint free, gotta pay fees  
niggaz can chill, aint no stress  
the weed still all up im my chest  
niggaz wanna bust with a bulletproof vest  
bust em all who to shoot next  
you wont freak please dont front  
lick you up like a Philly blunt  
up an down take it slow  
sex or not still want mo

Tell me do you wanna ride (Blac Haze)  
Baby come an ride with me, ride with me

What's up with that, I take you out  
really wanna roll what you all about  
in the club sippin on henn  
wanna ride out in a drop top Benz'  
Blac Haze you know my style  
I am known for actin wild  
smokin out in the Lex'  
i'm all about G's, you all about sex  
D-K-N-Y can you fit that?  
Dont wanna play it why? Let me hit that  
fantasize I can see it in your eyes your tellin lies  
wanna ride pick you up 12 O'clock  
make it hot, rock the G spot  
money dont sweet that  
I'm gonna make you moan you can bet that  
hit it from the back where you at  
watch me lay my game down flat  
scream my name, you are mine  
tounge up and down your spine  
can a real nigga work it, huh?  
smoked out in a 500, dont want  
baby girl better treat the game  
fuck niggaz they creap the game I freak the game

chorusx4

Do you wanna ride with me?  
Do what you want to me.

I just want to ride with you  
I wanna come and side with you  
tell me what you decide to do  
what do you know about a nigga that's mercilous  
didnt know only fly hoes work with us?  
i'm in love with your brown eyes  
dont believe in love, messin with the wrong guys  
I just want to hang with you  
ride out with Blac Haze is the thing to do  
Please, let me rub you down  
guaranteed to be the best love in town  
you wanna ride we can be down to ride  
boys be down to Haze for down ya see I  
never miss representin  
the love I spread is heaven sent  
I lace you up with the finest things  
i'm behind the name, I design the game  
Like Biggie Smalls i'm fuckin you tonight  
Blac Haze wanta do you right  
Dom P's, Alize  
shorty wont you swing it my way uh  
real niggaz wanna freak the side  
you wanna creap the ride  
I wanna go deep inside  
can you feel that?  
well nigga wanna ride? well let me kill that!

chorusx4

You know what i'm sayin  
Nigga wanna ride, it's all good u know
