

# Blackmail, Friend

Playing out the day  
We try to stop ourselves from getting swept away  
I'm gonna let you step ahead  
I'll show you things, so you can pretend  
but you don't know what they meant  
Let it all begin to swim  
Let it all begin to swim  
Let it all depend on something that hold us up again  
but you don't understand.  
Let me make it plain  
I'm not trying to use you for my own gain  
I'll ask you how to settle down  
Get your kicks and hang around  
We could do that to the end  
Let it all begin to swim  
Let it all begin to swim  
Let it all depend on something that hold us up again  
Just pretend.

I see what you demand.  
I please you to understand,  
coz' I need you close again.  
Then I'll be where you want me to stand.
