

Blackmore's Night, Can't Help Falling In Love

Wise men say
only fools rush in
But I can't help falling in love with you

Shall I stay?
Would it be a sin?
'Coz I can't help falling in love with you

Like a river flows
surely to the sea
Darling so it goes
some things are meant to be

Take my hand
take my whole life too
'Coz I can't help falling in love with you

Shall I stay? Would it be a sin?
'Coz I can't help falling in love with you

Like a river flows
surely to the sea
Darling so it goes
some things are meant to be

Take my hand
take my whole life too
Thous I can't help falling in love with you
No I can't help falling in love with you
No I can't help falling in love with you
