

# Blackstreet, Confused

Kick it, uh, uh, uh, uh  
I wanna be all alone  
I guess I got to be alone  
But why I got to be alone  
Yeah, I'm so confused  
I wanna be all alone  
I guess I got to be alone  
But why I got to be alone  
BLACKstreet let me heart ya sing

[1] - Just want to be lonely  
Don't need nobody to control me  
I'm tired of all the pressure on me  
But what am I going to do  
I'm so confused  
Can't let you go no  
Sometimes I just don't know  
But I got to let it all show  
I guess I got to be all alone  
Sometimes I'm confused  
About this thing I have for you  
It makes me a little crazy  
Putting me in this mood  
I want to be on my own but  
Then I want you home  
You make me feel good  
But I'd rather be all alone

[Repeat 1]

I know it's wrong for me to say it  
And think this way

But I don't want to see you  
With nobody else but me  
So what am I supposed to do  
When I'm so ashamed  
Cause I may want to be alone  
Just like I was yesterday  
You need to take it all for real  
And not for fun  
Even though I'm getting tired  
Of these indecisions  
Cause I don't really know  
What'cha want to choose  
One day I want you here  
Next don't bother, I'm so confused

[Repeat 1]

I'm confused, that's not the way I choose to  
I want you and I feel you, it's the control of me  
I'm not the same, no one to blame  
I can't explain, I'm so confused  
I wanna be all alone  
I guess I got to be alone  
But why I got to be alone  
Yeah, I'm so confused  
I wanna be all alone  
I guess I got to be alone  
But why I got to be alone  
Uh, uh, uh

[Repeat 1]
