

Blackstreet, Finally

[Hezekiah]

You know you and I've been through many hardships in life
They say people who believe, hardship has made us doubt
The very God of gods
But the apostle Paul said in his scripture
We are troubled on every side, yet not in distressed
We are perplexed but not in despair
Persecuted but not forsaken
Cast down but we are never destroyed
And the conclusion of the whole matter is that
Finally the storm is over
It's time for us to reap what we have sown
No doubt my brothers and sisters
God has given us a miracle, finally
Blackstreet

[Blackstreet]

Finally we'll make it through the storm and the rain
It's time to give and praise and bless the Lord
If you believe in miracles, just you wait and see
Cuz finally we'll make it through it all

[1] - Bless the Lord

Bless the Lord
Cuz finally we'll make it through it all
Bless the Lord
Bless the Lord
Cuz finally we'll make it through the storm

We've had our ups and downs
Sometimes there no way out, I know He's there
To lead me and guide me every step of the way, yeah
Your grace, my joy, constant friend indeed
Everything that I do, I owe it all to you
I bless your name

[Repeat 1]

[Hezekiah]

To every believer, all things work together for the good
To him that love to Lord
It's time for us to speak to those things
That are not as though they were
So I command every household to be blessed
I command every marriage to work out
I command every broken heart to be heal
I command prosperity upon my life
It's my time, it's my time, finally, finally
The miracle is here
C'mon Blackstreet, c'mon Fellowship
Let's bless the Lord

[Repeat 1 with Ad Lib until fade]

And because God is the greatest power
We shall not be defeated
Finally
