

# Blackstreet, Happy Song

More and more on and on  
Yeah, can we get everybody to clap your hands  
A little something like this?  
Come on, say "oh-oh"  
(audience: oh-oh)  
Scream!  
(audience: scream)  
Oh, sugar girl, you sexy thing  
That's right  
I like the way you swing, oh yeah  
Always want to be your lover  
Always want to be your lover  
Oh, you can call me  
If you need a fix or two  
Girl, you know how we do  
I got to get with you, all right, yeah  
You can get me on the phone  
And dial my number, I'll be waiting  
Yes, I will, when I see you  
We'll be, yeah, yeah, yeah  
All I want to do is drive you crazy, girl...  
That's right, oh, baby, yes  
Uh-uh come on  
1-If you need a fix  
Let me be the one you can call  
Blackstreet  
If you want a fix  
And I can give you what you need, yeah  
If you need a fix  
Baby, you know I can give you  
More and more on and on  
You don't have to worry, come on  
I'll be there for you, that's right  
It's time for you to be my girl  
Time for you to be my girl...  
We've been knowing each other for some time, girl  
Oh, yeah  
And I don't know what I'd do without you  
(repeat 1)  
Teddy, jam for me, yeah  
I can give it to you, baby  
Get down, get down, get down, get down, down, down  
Come on, come on, yeah  
I can give it to you, baby  
I can give it to you, get down, down, down  
Take it to the priest  
(repeat 1)  
I can be your candy man...  
Anytime you want it baby, you call..  
Get down, get down  
If you need a fix, say yeah  
Everybody come on, clap  
Just clap your hands...  
(rpt 1)  
If you need a fix
