

# Blackstreet, How We Do

(Teddy)

you know i dont even know why you actin funny  
why you let them get in your head like that  
or the just gon hate on me

(Eric)

verse 1

they call you crazy cause im never home  
they say your to young girl to spend your life alone  
but they just dont know they can only assume  
bout what i do its about me and you

chorus:

you and i we can make it  
if your girlfriends stop hating  
i dont want to have to let you go  
girl im down with you even if they dont think so  
they dont know how we do

(Chauncey)

verse 2

look at me funny  
cause of what they say  
girl all of the lies and things there tellin you  
you should never let them in your head  
but they just dont know they can only assume  
bout what i do its about me and you

chorus

yo we gon take it to the bridge  
mark help me sing!

(Mark)

bridge

what bout the years? they dont care  
the house and kids? they dont care  
the struggle and tears they dont care bout what we been through  
they dont wanna know bout the good i do  
how i hold it down for the kids and you  
all they want to do is tear us apart  
Tear Us Apart

adlibs

you and i we can make it  
girl we gonna make it  
i dont want to ever let you go  
this is how we do  
you and i we can make it  
girl we gonna make it  
i dont want to ever let you go  
girl im down with you even if they dont think so  
they dont know how we do
