

# Blame the City!, Counter Culture

Counter Culture  
Counter Culture  
Counter Culture for me!  
Spoon fed rebellion  
Since day one  
Gimmie an answer  
Then gimmie a gun  
False beliefs, to fit my needs  
Keep me dumb to feed your greed  
Counter Culture  
Counter Culture  
Counter Culture for me!  
Discovered punk  
When I was 13  
Grew my own mind  
My own beliefs  
Now I don't know  
If I'm right or wrong  
Depends on th lyrics  
Depends on the song  
Counter Culture  
Counter Culture  
Counter Culture for me!
