

Blank & Jones, A Forest

Come closer and see, see into the trees
Find the girl while you can
Come closer and see, see into the dark
Just follow your eyes, just follow your eyes

I hear her voice calling my name
The sound is deep in the dark
I hear her voice and start to run
Into the trees, into the trees
Into the trees

Suddenly I stop but I know it's too late
I'm lost in a forest all alone
The girl was never there, it's always the same
I'm running towards nothing
Again and again and again and again
And again and again and again and again
And again and again and again and again
And again and again and again and again
And again and again and again and again and again!

And again... and again... I hear her voice...
The girl was never there, it's always the same
I'm running towards nothing
Again and again
