

Blank Logic, Little Nothings

verse 1: Whisper sweet little nothings in my ear,
tell me all the things I want to hear, and let me know
you love me so and that you'll never let me go.

chorus: I don't care if the stars don't shine because your mine
and every day is just like valentines.

verse 2: Let's go out on a starry night, lay a blanket down,
hold me close we'll watch the world spin round and as the stars look down,
they will see, you and me kissing softly.

chorus: 1X

bridge: Kiss me now and tightly close your eyes,
don't think about tomorrow because we've got tonight.
I wanna do all the things that you've dreamed of,
I wanna hold you forever because we're so in love.

chorus: 1X (followed by) just like valentines, just like valentines all year.
