

# Blanks 77, Do or Die

Rock n' roll is do or die  
and I wanna live  
and give what I can

[Chorus:]  
no one's gonna stop me  
you'll see that it's true  
kick in the wall  
revolution make it thru  
people always tellin' me  
I should keep it down  
but if it's too loud  
then yer too old-you fuckin' fool!

[Chorus]  
unity thru rock n roll  
and all these I adore  
positive force thru me and you  
and we will rule the world
