

Blanks 77, I Wanna Be a Punk

Im filled with aggravation
filled with anticipation
for a future that is mine
im so filled up with hate
i just cant concentrate
am i running out of time

[Chorus:]

i wanna be a punk
i wanna be a punk
i wanna be a punk
-DON'T YOU
-FUCK YOU

You tried to sell me out
thats not what im about
come and get me if you dare
you trashed my generation
brainwashed by television
images that arent really there

im good for nuthin'
another washed up has been
im a dirty piece of scum
im just a teenage waste
my brains in outer space
and im having so much fun
