

Blasphemy, Desecration

Blasphemous sinner Warhead jet black
Attacking at will Blasphemous attack
Unholy destruction Dying off fear
Antichrist ordered Overkill is near
Legions of death arise Come to slaughter
the holy Desecrate the church
Rape the angel's soul
Demonic army's of Satan Rages deadly war
Virgins heart's ripped Feel the wrath of evil
Lucifer's vengeance is near
Destruction unto the heavens Hell rise to the sky
Burning crucifix
AAAhhh
Pentagrams burning Must all rise
Mayhem delay Armageddon cries Satan laughs
Victory as one
Countless deaths Satan has won
