

Blaze, Living Someone Else's Life

As I lay down and close my eyes, I start to feel that there is something wrong.

Now i just don't feel myself, this is not where I belong.

Questioning my mental health,

I find I live a life that's not mine!

Living someone else's life,

I'm living someone else's life,

I see through someone else's eyes.

Living someone else's life,

I'm living someone else's life,

I live in someone else's time.

I am confused and I am lost, my existence I just can't define.

There is a world beyond this world, I live a life that is not mine.

Questioning my mental health,

I find I live a life that's not mine.

Living someone else's life,

I'm living someone else's life,

I see through someone else's eyes.

Living someone else's life,

I'm living someone else's life,

I live in someone else's time.

This is not my life. This is not my life. This is not my life.

Living someone else's life,

I'm living someone else's life,

I see through someone else's eyes.

Living someone else's life,

I'm living someone else's life,

I live in someone else's time.

Living someone else's life.
