

Bleach, Fell Out

What's wrong with me, I just been layin' around
Wishin' it'd be like it was before I fell out
Now is there any chance, that I can find romance
Like we had back then, Oh I want it again
You said you'd hold on to me
You always wanted for it to be oh, oh
You said you'd never let go
So now I want you to know
That I can't stand it
I am sorry
I know I walked out on you
What's wrong with me
I just can't figure it out
No motivation to change it since I fell out
So is there any chance that I can make amends for what I've become,
I know you are the one that said you'd hold on to me
You always wanted for it to be oh, oh
You never ever let go
So now I want you to know
And I, I been dreamin'
That this thing won't lose it's meaning
Tell me what I've got to do
I'm so in love
