Bleach, Fell Out

What's wrong with me, I just been layin' around Wishin' it'd be like it was before I fell out Now is there any chance, that I can find romance Like we had back then, Oh I want it again You said you'd hold on to me You always wanted for it to be oh, oh You said you'd never let go So now I want you to know That I can't stand it I am sorry I know I walked out on you What's wrong with me I just can't figure it out No motivation to change it since I fell out So is there any chance that I can make amends for what I've become, I know you are the one that said you'd hold on to me You always wanted for it to be oh, oh You never ever let go So now I want you to know And I, I been dreamin' That this thing won't lose it's meaning Tell me what I've got to do I'm so in love
