Bleed The Dream, Jack And White

Jaded, washed out
These clothes don't even fit me anymore
But I'll try, to get up
Cause I don't feel like sleeping anymore

I know your teeth are sinking in
And my scars are proof of where I've been
And I'm struggling to keep my sanity
Cause there's no point in breathing in

There's no point in breathing in

So far, so bad
This month I died a little every day
But I'll smile, just for you
So you don't have to see me this way

I know your teeth are sinking in
And my scars are proof of where I've been
And I'm struggling to keep my sanity
Cause there's no point in breathing in

I know your teeth are sinking in
And my scars are proof of where I've been
And I'm struggling to keep my sanity
Cause there's no point in breathing in
