

# Bleed The Dream, Streets Of Baltimore

i must've drove this street a millions  
at least a thousand times before  
its always beautiful in the fall time  
to walk the streets of baltimore

and you say that things would stay the same  
but i know i'm gonna miss the changing of the leaves this year  
and i know i'm gonna make it back there  
as soon as i find myself

i use to fall asleep at double rock without a penny to my name  
that's what made me dream my dreams  
because i had everything to give

and you say that things would stay the same  
but i know i'm gonna miss the changing of the leaves this year  
and i know i'm gonna make it back there  
as soon as i find myself

soon as i find myself  
i'm gonna make it back there  
but i know i'm gonna miss the changing of the leaves this year  
and i know i'm gonna make it back there  
as soon as i find myself

and i know i'm gonna miss the changing of the leaves this year  
and i know i'm gonna make it back there  
as soon as i find myself
