

Bleeding Through, Wake Of Orion

Look into my eyes, say it's alright
But nothing lasts forever I'll rip the nerve from your heart and I refuse
I refuse to live this way

Eliminate; erase the most beautiful face I've ever seen
To salvage this frozen heart
I feel fake, and I'm feeling abused
I'm feeling torn again, someday to be abused, someday
A new day will come after eight long years of you walking by me never looking my way
This is a testament that we must consume
Eight long years of walking by me never looking my, look my way

Just to feel your touch isn't worth the cost
Fill the void in my life
But you, you were the only one to see me alive
Alive

You lie
Now that surrounds with windows
And I've seen you walk by ten thousand times
Now proceed to throw, or were they daggers
Despite the broken glass, your smile is fake
Your eyes are fake, your smile is fake
Just the way the beauty you portray

The time has come
Consume
You sold your eyes to the worthless
And now your face is killing me
So many faces just like yours
So many smiles just like yours, yours, yours

I refuse to live this way
I refuse
Take my hand and I'll lead you through it
Take my hand
I'm not afraid I'm not afraid anymore
I am not afraid (I am not afraid)

I feel fake, and I'm feeling abused
I'm feeling torn again, someday to be abused
One last torment forget my eyes for me
Taking it all from me
Forget my eyes for me
Bringing it all to me
Forget my eyes for me
Bringing it all to me
Forget my eyes for me
