

Bless The Fall, A Message To The Unknown

Turn me on, let me feel you
Turn me on, let me taste you
Boundaries are starting to fall
Conceiving has already started
Kissing, caressing, indulge
Is this really what you wanted?
No, I just dont know
If I can
No, I just dont know
If I can
Is this really what you wanted?
Is this really what you, yeah
Even though, I dont know you
I know for sure, I love you
Anything that youll ever need
Ill try my best, to give everything
I tell myself its nothing
I tell myself its nothing, almost nothing
Close your eyes, and take my hand
We will rise, once again
Close your eyes, and take his hand
Well be home, once again
Thats my father
