

Blessid Union of Souls, My Friend

Put your head on my shoulder
No need to worry 'bout a thing
I'll be the cure for your loneliness
I'll make you feel like you're whole again
And you can always count on me, wherever I may be
When this world's got you feelin' blue
Call on me and I'll run to you
My friend
My friend

On my wings we both can fly
Cause there's no burden big enough
And when you're hurtin' baby so am I and we'll both cry
There's nothing stronger than our love
And you can always count on me, wherever I may be
Oh I'm gonna find the way
To a better day
My friend
My friend

So let me be the one to save you
Cause it's the least that I can do
And you dont have to return the favor
Cause I promise you
Oh we're gonna make it through
My friend

Put your head on my shoulder
No need to worry 'bout a thing
When you need me I'll be there in a hurry
Please call on me, time and time again
Cause you're my friend
