

# Blessid Union of Souls, Peace And Love

May every star you wish upon  
And every hope your hangin' on come true  
Out of everybody in the world  
There's no one who deserves it more than you  
I hope you find  
Everything you've been dreamin' of  
Only good things  
No in betweens just  
Peace and love

These words did not come easily  
Still you know I had to write them down  
You must know what you mean to me  
I wish that you could always be around  
I hope you find  
Everything you are worthy of  
I'm gonna miss you  
But I only wish you  
Peace and love

Peace and love  
Tears of joy  
Kindness of strangers  
All of your roads  
Paved in gold  
By guardian angels  
Wherever you may be in this world  
My salutation says it all  
May you always have enough  
Peace and love

I let you go unselfishly  
Cause everyone needs time to be alone  
Well maybe time will bring you back  
And if it does you'll always have a home  
I sign my name  
No one to blame it on because  
I'm on your side  
No question of pride

Peace and love  
Tears of joy  
Kindness of strangers  
All of your roads  
Paved in gold  
By gaurdian angels  
Wherever you may be in this world  
My salutation says it all  
May you always have enough  
Peace and love
