

# Blind Faith, Well...All Right

By norman petty, buddy holly, jerry allison and joe b. mauldin

Well all right, so I've been foolish.  
Well all right, let people know  
About the dreams and wishes that you wish  
In the night when lights are low.

Well all right, well all right,  
You know we live and love with all our might.  
Well all right, well all right,  
You know our lifetime love will be all right.

Well all right, so I'm not working.  
Well all right, let people say  
That those foolish kids can't be ready  
For the love that comes their way.
