

# Blind Guardian, Ashes To Ashes

Taste the poison  
Feel that this is life  
Hallowed be the game  
Of life and innocence  
God's waiting for him  
Join us at the road to fate  
There are no two paths  
Feel the pain  
Which steps into his life

Agony  
He'll be crucified  
Death awaits  
Knocking at his door  
Agony  
Leave him  
The clock will strike the end  
Hell or heaven  
Reflect and fade away

Ref.:  
Ashes to ashes, dust to dust  
The life clock strikes and You obey  
Like a candle light that fades  
Ashes to ashes, dust to dust  
When the life clock strikes You will obey  
Time isn't here to stay  
Ashes to ashes, dust to dust  
the life clock strikes and You obey  
A light shows the right way

Morning is whispering in my head  
Too late to say goodbye  
Too late  
The last breath's done  
Deliverance at all  
he's born to find this end  
I am the one  
The one who's calling  
Obey my call to the cemetery  
And don't be afraid  
To step into the dark  
Be sure that my voice  
will take You home

Ref.:  
Ashes to ashes, dust to dust  
The life clock strikes and You obey  
Like a candle light that fades  
Ashes to ashes, dust to dust  
When the life clock strikes You will obey  
Time isn't here to stay

(Solo)

No hope he'd waited so long  
This can't be God's will  
He surrendered long ago  
There was no real chance

Ashes to ashes and dust will be dust  
Ashes to ashes, you all will be dust again

The clock had struck the end

Up to heaven  
Reflexions fade away

Ref. (1st)
