

Blind Guardian, Black Chamber (Acoustic)

I am lost in the black chamber
There's no way to turn back
There still is light in a difrent world
It takes me down forevermore
And death could be so sweet

A dancing gloom
in a empty room
A cruel and painful game
I'm possessed by the old creature
Who has planned
to take my soul
Too late for me
In my hands
It lies I thought
But I failed
Now he's in me

My soul is lost
In his black chamber

I'm gone
