

Blind Guardian, My Last Sunrise

The lamb, the rose
They don't exist
The lamb, the rose
They don't exist

These are my last words
I need to rest
In fear and anger
I'll lay down my head
A faithless spirit in a broken man

Everything is burning
Rotten flesh keeps burning
It's MY LAST SUNRISE in fear

The grail's in pieces
All the bliss is gone
The rose has dried out
And the lamb got slaughtered long ago
The hope became another lie
Like the nonexistent father god
I'll close my eyes, goodbye

Don't wait for me on the other side
Everything is burning
Rotten flesh keeps burning
It's MY LAST SUNRISE in fear
Don't wait for me on the other side

Golgotha - had seen nothing else but
A carpenter's death
Golgotha - not more maybe not even that

Suffer, grief and pain
Have driven me insane

Can't you see
There's nothing real
But you and I
And I say goodbye

Hear no evil, speak no evil
See no evil, feel no evil
Dream no evil, fear no evil
Taste no evil, touch no evil...

All I see and hear is evil
All I think and feel is evil...
