Blind Melon, Working Class Hero

As soon as you're born they make you feel small By giving you no time instead of it all Till the pain is so big you feel nothing at all A Working Class Hero is something to be A Working Class Hero is something to be

They hit you at home
They hit you at school
They hate you if you're clever and they despise a fool
Its all so fucking crazy you can't follow their rules

There is room at the top they keep telling us still But first you must learn to smile as you kill If you want to live like the folks on the hill

Working Class Hero is something to be A Working Class hero is something to be They keep you doped with Religion and sex and T.V. Doped with Religion and sex and T.V. Doped with Religion and sex and T.V.
