

# Blind Myself, Worst-Case Scenario

I wanna be the number one  
The One out of a million  
I wanna climb the highest peak  
And get all the best critique

I wanna be the number one  
The special and the chosen one  
I wanna be the king of kings  
To be the master of the strings

Worst-Case Scenario - Get yourself prepared and go  
Worst-Case Scenario - Much anger you will swallow  
Worst-Case Scenario - For a war, you need ammo  
Worst-Case Scenario - Stay alert

Worst-Case Scenario - Get yourself prepared and go  
Worst-Case Scenario - Much anger you will swallow  
Worst-Case Scenario - For a war, you need ammo  
Worst-Case Scenario - Stay alive

Hoping the best but getting the worst  
Paying the debt - playing unrehearsed  
Is it a test or is it a game?  
Nevertheless, you'll never  
Be the same  
Be the same

Worst-Case Scenario - Get yourself prepared and go  
Worst-Case Scenario - Much anger you will swallow  
Worst-Case Scenario - For a war, you need ammo  
Worst-Case Scenario - Stay alert

I walk away now
