

Blink-182, 13 Miles (Live)

13 miles down the road lives a young boy
He's got jet black hair and blue green eyes and he's mine
And every now and then he and I would sit together on the porch
And I'd take off his pants and I'd fuck him from behind
And I love him for his mind and his soul
And I love his wrinkled scrotum too
So if you see us passing by on some dreary rainy day
Just take a look at the young boy and his naked asshole
