Blink-182, 13 Miles (Live)

13 miles down the road lives a young boy He's got jet black hair and blue green eyes and he's mine And every now and then he and I would sit together on the porch And I'd take off his pants and I'd fuck him from behind And I love him for his mind and his soul And I love his wrinkled scrotum too So if you see us passing by on some dreary rainy day Just take a look at the young boy and his naked asshole
