

# Blink 182, Anthem Part 2

Everything  
has fallen to pieces,  
Earth is dying help me Jesus.  
We need guidance, we've been misled,  
Young and hostile, but not stupid.  
Corporate leaders, politicians,  
kids can't vote, adults elect them,  
Mobs that rule the school and workplace,  
sings that caution, sixteen's unsafe.  
We really need to see this through,  
we never wanted to be abused  
We'll never give up, it's no use,  
if we're fucked up you're to blame.  
Let this train wreck burn more slowly,  
kids are victims in this story  
Drown our youth with useless warnings,  
teenage rules they're fucked and boring  
We really need to see this through,  
we never wanted to be abused  
We'll never give up, it's no use,  
if we're fucked up you're to blame.  
Everything has fallen to pieces,  
Everything has fallen to pieces,  
Everything has fallen to pieces,  
Everything has fallen to...  
We really need to see this through,  
we never wanted to be abused  
We'll never give up, it's no use,  
if we're fucked up you're to blame!
