

# Blink-182, Anti Pop Song

I'm sick of always hearing all those sad songs on the radio  
All day it is there to remind an oversensitive guy  
That he's lost and alone yea

I hate our favorite restaurant our favorite movie our favorite show  
We would stay up all through the night  
We would laugh and get high and never answer the phone  
I can't forgive can't forget can't give in what went wrong cas you said This was right  
You f\*\*ked up my life

I'm sick of always hearing sappy love songs on the radio  
This place its f\*\*king cursed and its plagued and I could never escape When my heart it explodes  
I can't forgive can't forget can't give in what went wrong cas you said This was right  
You f\*\*ked up my life

I'm kicking out feircley at the world around me  
what went wrong  
I'm kicking out feircley at the world around me  
what went wrong  
I'm kicking out feircley at the world around me  
what went wrong  
I'm kicking out feircley at the world around me what  
went wrong  
I'm kicking
