

Blink 182, Don't Leave Me

Dont leave me all alone
Just drop me off at home
Ill be fine, its not the first
Just like last time, but a little worse

She said that I'm not the one that she thinks about and
She said it stopped being fun, I just bring her down
I said "Dont let your future be destroyed by my past"
She said "Dont let my door hit your ass";

One more chance, Ill try this time
Ill give you yours, I wont take mine
Ill listen up, pretend to care
Go on ahead, Ill meet you there

She said that I'm not the one that she thinks about and
She said it stopped being fun, I just bring her down
I said "Dont let your future be destroyed by my past"
She said "Dont let my door hit your ass";

Lets try this one more time with feeling
