

# Blink 182, Feeling This

{Get ready for action!}

I got no regret right now (Im feeling this)

The air is so cold and low (Im feeling this)

Let me go in her room (Im feeling this)

I love all the things you do (Im feeling this) {I wanna take off her clothes (Im feeling this)}

Show me the way to bed (Im feeling this)

Show me the way you move (Im feeling this)

Fuck it, it's such a blur (Im feeling this)

I love all the things you do (Im feeling this)

[Chorus:]

Fate fell short this time

Your smile fades in the summer

Place your hand in mine

Ill leave when I wanna

Where do we go from here

Turn all the lights down now

Smiling from ear to ear (Im feeling this)

Our breathing has got too loud (Im feeling this)

Show me the bedroom floor (Im feeling this)

Show me the bathroom mirror (Im feeling this)

Were taking this way too slow (Im feeling this)

Take me away from here (Im feeling this)

[Chorus x2]

This place was never the same again

After you came and went

How can you say you meant anything different

To anyone standing alone

On the street with a cigarette

On the first night we met

Look to the past

And remember and smile.

And maybe tonight

I can breathe for awhile.

I'm not in the scene

I think I'm fallin' asleep

But then all that it means is

I'll always be dreaming of you.

[Chorus x5]

[During Last Choruses In The Background:]

(Are we alone, do you feel it?

So lost and disillusioned)
