

Blink 182, Fell In Love

Utwór 'Fell In Love' z albumu 'One More Time' od Blink 182.

Late night, feelin' kinda lonely
Drive home, no one's waiting for me
I don't miss the days before I fell for you

Last time, was fun but overrated
White lines, fun but then you hate it
Cruel hearts and nobody could break it
Sad but true

And honestly, what was that
I needed you, what was that
You needed me, it's crazy

Do you remember the time when we first met
You were at a party with your ex
I said hello, then I got drunk
Do you remember the time we fell in love

Do you remember the night when you came over
Playing songs, laying on my shoulder
We made out 'til the sun came up
Do you remember the time, remember the time, we fell in love

Na na na, Na na na, Na na na, Na na na

How could I ever forget, laying in your bed
Having sex all night
It's fucking with my head
Now we can never pretend, that we can only be friends
We should do it again and again

And honestly, what was that
I needed you, what was that
You needed me, it's crazy

Do you remember the time when we first met
You were at a party with your ex
I said hello, then I got drunk
Do you remember the time we fell in love

Do you remember the night when you came over
Playing songs, laying on my shoulder
We made out 'til the sun came up
Do you remember the time, remember the time, we fell in love

Na na na (Do you remember the time Do you remember the time, remember the time, we fell in lov
