

# Blink-182, Fentoozler

At the risk of sounding rude  
Just who the fuck do you think you are  
To tell me what you expect of me today?

Well, you can take your attitude  
You're out of luck, you've gone way too far  
If you think there's any chance I'm gonna stay

How long can I string you along?  
How little of myself can I give  
And still make you believe I care?

At the risk of sounding trite  
Why the fuck do you think you're right  
About every little thing that you say?

And do you think that it is right  
For Tom to spend another night  
Writing songs about all the people he thinks are gay?

How long can I string you along?  
How little of myself can I give  
And still make you believe I care?

How long can I string you along  
How little of myself can I give  
And still make you believe I care?
