## Blink 182, Going Away To College

Please take me by the hand Its so cold out tonight Ill put blankets on the bed I wont turn out the light Just dont forget to think about me And I wont forget you Ill write you once a week she said

Why does it feel the same
To fall in love or break it off
And if young love is just a game
Then I must have missed the kick off
Dont depend on me to ever follow through on anything
But Id go through hell for you and

I havent been this scared in a long time And Im so unprepared so heres your valentine Bouquet of clumsy words, a simple melody This worlds an ugly place But youre so beautiful to me

Ill think about the times
She kissed me after class
And she put up with my friends
I acted like an ass
Id ditch my lecture to watch the girls play soccer
Is my picture still hanging in her locker

I havent been this scared in a long time And Im so unprepared so heres your valentine Bouquet of clumsy words, a simple melody This worlds an ugly place But youre so beautiful
