

# Blink 182, Hope

[Originally by Descendents]

Why can't you see you torture me?  
You're already thinking 'bout someone else  
When he comes home you'll be in his arms  
And i'll be gone  
But i know, my day will come  
I know someday, i'll be the only one

You wait for his spark  
You know it'll turn you on  
He's gonna make you feel  
The way you wanna feel  
When he starts to lie,  
Makes you cry,  
You know i'll be there  
My day will come  
I know someday i'll be the only one

Call me selfish  
Call me what you like  
I think its right  
To want someone for all your own  
And not share her love  
And i'll have my way  
And you won't have a say  
Anyway  
You don't stand a chance!

You wait for his cock  
You know it'll turn you on  
He's gonna make you feel  
The way you wanna feel  
When he starts to lie,  
Makes you cry,  
You know i'll be there  
My day will come  
I know someday i'll be the only one

My day will come  
I know someday i'll be the only one

You want perfection  
See your self-destruction  
You don't know what you want  
It's gonna take you years to find out!  
Not giving up  
And when you've had enough  
You'll take your bruised little head and  
You'll come running right back to me!

I will be the only one,  
I will be the only one...
