

Blink 182, Obvious

I saw you again
I think you used me again
Should we try this before
We give up and move on
And pretend to restore
What we have and hold on
At the times like these
It's obvious
I saw you again
I know you fucked him again
Can you comfort yourself
With a sense of revenge
Are you leaving me here
With the taste of the end
I saw you again and again
There's some room to move on, to move on, to move on
And i saw you again and again
How do we fix this if me
Never have vision
