

Blink-182, Romeo And Rebecca

walking through the grass
another blade next to u from the ground
as the wind does pass
i know just how she feels the breath of my shout
your words are kind
the kind that repeatedly say no
but thats alright i'm older than u so i've got time
what i just said reach out your hand there's a black shadow on your wall
but as i look into my mind i can see that girls are a waste of time

we've all seen the bridge
a broken seam and a girl on one side

you think your words will work
they only work when u lay down and close your eyes
i've thought of all the lines
all the right ones used at all the wrong times
but thats alright
depression's just a sarcastic state of mind

what i just said reach out your hand
there's a black shadow on my wall
but as i look into my mind,
i can see that girls are a waste of time
